# Perfect body

I don't care how you dress
or about your hair style

*I'll kiss you if you show me your true self*
*I'm not like the others*

Do you have a perfect ass?
I don't mind

*I'll kiss you if you show me your true self*
*I'm not like the others*

What matters if you're fat or thin?
if your nose is big or small?

Look beyond
And decide
What will make your heart beat?
What will make your heart beat?

I don't want a costume
or the bodies they sell on TV

*(I'll kiss you if you…)*

I love you for how you are
I love you for being free

*(I'll kiss you if you…)*
