

TAKE ME AS I AM

Storm outside, rain on the roof
cleaning the mud, wiping it clear
I let the rain fall on my face
to clean away the past and the fear

Take me as I am
Take me as I am

(There's) no turning back, my story has begun
Everything's strange, need to find my way
some things need to start again
I need to dare do it today

Take me as I am
so come take me up.
Will I find my way back?,
I'll do the best that I can.

Will I find my way back,
